John Doerschuk - KE5OVB : Vice President	325-854-0171
Lynette O'Neal - W5ELF : Secretary	325-721-9179
Peg Richard - KA4UPA : Treasurer	325-672-8889

Next Club Meeting is Monday April 11th, 7 pm at Chavez South Park Recreation Center, 1002 Cherry Street.

In the mid 90's there was an article published about a 30 meter loop antenna. The antenna was made out of twin lead T.V. wire. Does anyone remember or have a copy of that article? If so please contact Jack Beckett @ 721-4131.

Thanks. Jack N0LQY

I received an email request for this information, I feel certain someone out there can help Jack.

I did not receive a report on the Steamin' Wheels Bike Race for this newsletter.

A tech class is scheduled to start Saturday April 2nd and run through May 7th enabling students to test that afternoon.

Don't forget that field day is coming up the last weekend in June, there will be more information at the April meeting.

Our condolences go out to Tom Maloney KB5GAW on the loss of his daughter, Crystal Billings .
