Next Club Meeting is Monday March 14th, 7 pm at Chavez South Park Recreation Center, 1002 Cherry Street. Remember we will be in the same room as last month, go left at the soft drink machines, as they are using the large room for something else that night.

Peg is about to do the membership roster. She says there are over 20 that have not paid their dues yet.

I counted over 100 at the Sky Warn training last month. We had several sign up for the tech class. It will be starting Saturday, April 2nd and run thru May 7th. They should be ready for testing that afternoon. We hope to have the classes at Chavez South Park rec center, Randy is checking on that.

Don't forget the Steamin' Wheels Bike Race on March 26th. If you signed up to help be sure to show up at Nelson Park.

Our barbeque has been postponed until later in the year. Also, there will be NO fox hunts until sometime in April.

Remember to set your clocks UP an hour this weekend. Daylight Savings time starts at 2am Sunday.

Midland Ham Fest is March 19th. <http://hamfest.w5qgg.org>

Belton Ham Fest is April 2nd. <http://www.beltonhamexpo.org/>

Our condolences to Peg KA4UPA in the loss of her brother Jim, also to Gordy K5GLT and Dustin KD5HTS in the loss of their wife and mother, Stormie.
